DO YOU THINK THEY ARE MORE OR LESS FREE THAN YOU THINK THEY SHOULD BE?

DO YOU HAVE ANY COMPLAINTS OR STAFF COMPLAINTS ABOUT YOUR MANAGER BEING TOO HOT OR COLD?

## HOW WILL THE PROGRAM WORK?

An engineer and/or energy staff person from the energy division will conduct a walk-through audit of your building to make suggestions for low-cost/no-cost improvements you can make to your building. If you need assistance beyond the scope of a walk-through audit, we have contacted with a professional engineer who can make additional suggestions on how to improve the efficiency of your building. DNR will provide you with a loan funding for energy efficiency items to your building.

## IS THERE A JOE-PAUL AN AUDIT COST?

The walk-through audits and the services of the professional engineer are free.
